

# Mount Abu Public School

Sector -5, Rohini, Delhi

## SAFETY AND SECURITY

### FOR THE STUDENTS

- The **reporting time** for walkers and van students to school is **7:50am sharp** in the morning and **departure time** from the school is **2:00p.m.**
- If your ward is not adhering to the above mentioned timings, **the school gates will be closed** and the school does not hold any responsibility for his/her safety outside the school.
- Walkers accompanied by parents are also supposed to be dropped and picked at the designated school gate. No parent is allowed to go beyond the marked boundaries.
- Entry in the school premises will be strictly allowed on **showing parent I- card** only.
- The school campus (classrooms and labs, entry , exit, school premises, corridors and other vital sites) are under the **surveillance of closed circuit television** to keep a close watch on happenings in the school which is necessary for safety and security of the child.
- The school offers state of the art security solution. The school has tied up with **Uro Security** , a premier firm for safety and security. Every visitor to the school needs to get himself verified using the mobile number. Hence anyone **entering the school premises is verified and checked before accessing the entry in the campus.**
- Students are not allowed to carry scissors/ any sharp object/ cutters/ white fluid to school. Parents are requested to be sure that children are not carrying all this in their bags.
- The support staff has been hired by external agency Miraz Security after thorough verification.
- All the drivers and conductors and the other staff members are experienced and verified by Police.

- We have women employees near washrooms for the security in the washrooms.
- Messaging the parents class IX onwards about the absenteeism is in practice to ensure the students may not bunk the school.
- Proper medical room is there with experienced staff nurse and necessary equipments and medicines required as first aid.
- No student is allowed to / from the school for shot leave / half day for any of the reason.
- For Disaster Management, regular mock drills are organized for students to be safer if any emergency occurs.

## IN THE BUSES

- GPS- Global Positioning System and cameras have been installed in each and every bus as a vital security feature for the safety and security of every child using school bus service.
- All the buses used for transportation of students are own by school itself.
- All the drivers and conductors are experienced and verified by Police.
- School bus is prominently written on the back and front of the bus carrying school children.
- The windows of the bus are fitted with horizontal grills.
- The school buses are fitted with speed governors with maximum speed limit is limited to 40 kmph.
- The bus possesses fire extinguisher at emergency exit door.
- The seats of the school bus are made of noncombustible material.
- Transport manager is entrusted with the responsibility to ensure the security of school children.
- Every bus driver and conductor possesses the required license for their duties and functions.
- The students are always accompanied in the bus with attendant & a teacher
- The drivers are always dressed in uniform of grey trouser and jacket.
- The bus is equipped with First Aid box also.
- Seating capacity in the buses is also as per the guidelines.
- The record having details of the students are always with the bus conductor.
- The driver of the bus is equipped with mobile phone to be used in case of any emergency.
- The school buses are parked inside the school campus at the time of boarding and deboarding of the school students.

## **FOR PRIVATE VAN USERS**

- The reporting time for Van users to the school is 7:50 a.m. sharp in the morning and departure time from the school is 2:00 pm.
- If your ward is not adhering to the above mentioned timings, the school gates will be closed and the school does not hold any responsibility for his / her safety outside the school.
- Kindly do the needful for the safety and security of your ward ensuring the timely arrival & dispersal by his/her van driver.
- The van driver must be holding legal driver license issued by the concerned authority.
- The van driver must have police verification.
- The van driver is carrying students permitted according to the seating capacity of the van
- The van has grilled windows
- He is following the speed limit, traffic lights and rules.
- The private vans commuting school children must possess the status of commercial vehicles and all the required documents.
- Vans with private numbers are not allowed to be used for school children. So these vans cannot ply on the road in the absence of the above mentioned formalities.
- The van drivers are dropping children outside the gate around 7:15 while it opens at 7:30 AM, which is quite risky and the school can't be held responsible for any of the unwanted incident if it happens.
