

TYPES OF HOUSES

- Design a name plate for your house.

This project belongs to:

NAME: _____

CLASS: _____ SECTION: _____

ROLL NO: _____

Recite in chorus :

House

by Rubilyn Rautraut

*For one family a house is a treasure
Where things can be certain definite and sure
A home for bliss and much pleasure
Where everybody's love is so pure.*

*Unforgettable memories were all began
In simple house that is the only one
A cool place for rest and fun
And all things may be settled and done.*

*Small or big a house can be
A dwelling place for the whole family
Simple or elegant it may be
The most important is to live happily.*

E.V.S

⇒ All of us need a place to live in. We live in houses. A house becomes a home when a family lives in it. The house we live in is our home.
