

French Olympiad

Session : 2018-19

Learning the foreign language is the need of the hour which not only aids in understanding the global aspect of education but also helps the children to explore the wide range of choices as to how the beauty of language can bring the most wonderful results to a desired level .In order to inculcate the love for the most sought after foreign language , the school conducted French Olympiad for the students in collaboration with 'Education and Beyond' associated with French Embassy, wherein a number of interested students participated with great zeal and exhibited the most remarkable results.
