

# Poster Making Competition on Eat Healthy and Eat Safe

Poster Making Competition was organised for class I-XII students on 07.12.18. Students were asked to make posters on **EAT RIGHT INDIA**. It is voluntary and collaborative movement built on two broad pillars - “**Eat Healthy and “Eat Safe”**”. It is collective effort to encourage people towards making right food and dietary choices. It focuses on both sides-demand and supply side to come together. Students participated enthusiastically and it was a learning experience for them. During selection of paintings by the editorial team of HT PACE - **Aviral Bhardwaj of class 4-C** was awarded with **Third Position** for his painting.
