## *A Noble Initiative of Mount Abu Public School*

To make students kind , caring and compassionate by nature, Ek Aas, Ek Prayaas is an another noble initiative of Mount Abu Public School to enable every student of the school to get into the habit of charity and get sensitized with the feelings, emotions and basic requirements of less privileged.

Under this programme the **students donate one item per month** such as handful of grain, a pair of fresh socks,an unused utensil etc.These donations of the necessities help the children realise and rejoice their blessings and make them more understanding and gentle towards others .

The **item of the donation is decided by the lead team** .This gives them a chance to evaluate the basic requirements of an individual and make an effort to remove the inequalities existing in the society in their own way.

The **volunteers then collects** the items from each class .They then **sort them out** on the basis of quality and condition and **packs them to donate it further to the underprivileged and needy ones**. This helps the children to experience the Joy of giving.

The initiative makes our students thoughtful and kind.It gives students a platform to them to be the changemaker and feel blessed and be thankful to the almighty for having the ability to help others and make them lead a respectable and comfortable life in the society.

*The purpose of life is not to be happy. It is to be useful, to be honorable, to be compassionate, to have it make some difference that you have lived and lived well.” — Ralph Waldo Emerson*
