Dear Parent

In our endeavors to provide the best of the services to our students and their parents & make them techno savvy, the school has launched snap app on 28th September 2016 to have better connectivity among teachers, students and parents for the grooming of our students towards excellence at par. The special features of the app are

Snap Update - Everyday classroom reviews updates

Snap correction - sending pictures of best Notebook for student's reference, best diagrams, best Map work, best revision test paper etc.

Snap diary - Diary note to be sent through the app- all homework, all information to be shared with Parents.

Video recordings - any poem or activity we would like Parents to know and share that as well

Parent Reference - Homework YouTube links

We need cooperation of parents to be an active partner in the programme to serve the purpose.

Thanks
