MONTH- JAN- FEB

Dear Parent

This New Year brought a fresh start and a sense of pride to **Mount Abu Family** as it gave the opportunity to follow much cherished dream. 150 vibrant students from the school gave a mesmerizing dance performance in the **Republic Day Parade at Rajpath**. The children set a benchmark by creating a holy environment to evolve the senses and allowed everyone to realize the omnipresence of the Almighty.

The success of the school has always been a result of the students' achievements and the teachers' hard work in making the impossible possible. The collective effort of the management, teachers and the students portrayed through the pages of this newsletter is testimony to all the glories attained so far. The young achievers are sure to be a source of inspiration to all the students and we are really pleased to present yet another edition of newsletter.

## International Award under School Enterprise Challenge

UK-based charity **Teach a Man to Fish** has announced the school as a **Buddy Initiative Prize Winner** of the School Enterprise Challenge 2016.

The School, is leading the way in India with an innovative and sustainable school business that has not only positively impacted their students but also the wider community.

## From Ordinary to Extraordinary

**“Once excellence is experienced, one will then never be content with mediocrity”**

Mallika Anand of class XI is one of those meritorious students whose mettle as a student is emblazoned with acclaim. She has recently bagged “Student of the Year Award” by **NIE, Times of India**. She has been awarded with a certificate, a trophy and a gift voucher worth Rs 1000/- for her academic proficiency and extraordinary skills in co-curricular activities.

## They dream their painting, and then they paint their dream

The school feels delighted to share the conquest of MAPIANS. The artists gave vent to their emotions through their artistic skills and what is more their hard work became a triumph for them. MAPIANS were felicitated in **Annual Space Art Contest** held at **Nehru Planetarium** on 13th February 2017 in which Anushka Rai of class X won the first position, Prasidh Awasthy of class III won second position, Hardik Rana also of class III won the third position and last but not the least Ayushmita Sen of class II won the consolation prize, and added colours of joy to the event. What was even more remarkable, the school won the **Institutional Trophy for the third consecutive year**.

## Genius in Aptitude

**“Life is not about waiting for the storm to pass, it is about learning to dance in the rain”**

Hrishabh Sehrawat of Class X was adjudged as the “Winner of the School” out of 137 students qualifying for the second round of **“Think & Learn Challenge”** conducted by NIE, Times of India on 12th Feb 2017 at Indira Gandhi Indoor Stadium. It has been rightly said that “The first step towards change is awareness and the second step is acceptance. Hrishabh proved his extraordinary skills in General awareness and Arithmetic and was awarded with an i-ball Slide Tab and a Certificate.

## Saksham Quiz

**“Wisdom tends to grow in proportion to one’s awareness of one’s ignorance”**

Hrishabh Sehrawat and Gautam Sharma achieved yet another milestone by representing Delhi in the North Zone in ‘Saksham Quiz 2017’ on 17th February 2017 in association with Doordarshan organized by PCRA to be telecasted by Doordarshan on 2<sup>nd</sup> April 2017 at 10:00 am. The journey of the duo in qualifying the School, District, State and then Zonal Level opened for them series of opportunities ahead.

## I-smart session

**“Talent is something one is born with and skills are something one develops”**

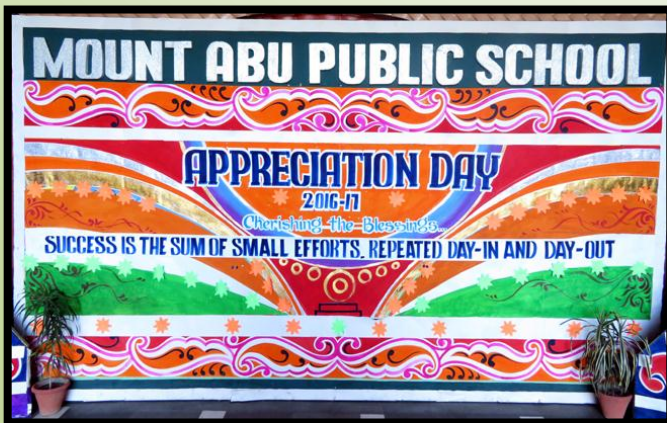

I-Smart session organized by QEA India on 21st February '17 made the students acknowledge their life skills. It was a session where not only students but involvement of the teachers added the colours of joy to the ambience and all together, the teachers and the students explored new and adventurous things. The students were able to learn values of leadership, teamwork and rejuvenated themselves. Innovative methods of teaching have always been a tool to help students realize and foster their capabilities. The enthusiastic participation of MAPS fraternity and the students who have knack of learning new things made the day memorable.

## Appreciation day

**“A victory is not a victory unless it is appreciated by mentors and guides”**

To achieve this aim, the school had fixed up 25th February as the assembly day to be held as Appreciation Assembly to award the achievers in the presence of their parents to appreciate their efforts and to support the school's efforts to raise the level of the students and accomplish its goals. To add joy to this victorious moment, parents were also invited to be a part of the same. The assembly began with offering prayers to the almighty, followed by a welcome song. The achievers were awarded the certificates, medals and trophies for various competitions held at different levels. The Awarded students were cheered and blessed by their parents. Not only was it a moment of pride for the achievers and their parents but also inspired every learner who witnessed the event to put in best of the efforts to soar and achieve heights of success. The event culminated with the vote of thanks to the proud parents for their valuable presence.

## Proud cinematographers of MAPS

The School got magnificent success as Gautam Sharma, Saurabh Kalia, Keshav Aggarwal, Rohan Iyer and Tushar Rai won the 1st Prize at National Level Movie Making Competition organized by Help Age India Foundation. The mega event witnessed the participation of thousands of school children across length & breadth of the country. The video presented by the students is a reflection that the country's new generation acknowledges the concerns and problems of the elderly. They were felicitated with a Trophy, Certificate and a Cash Prize of Rs. 5000 for their exclusive creativity in making a movie on the topic 'Me at 64'.
