Kindness Gaming Zone

ABOUT THE EVENT

Kindness truly is a selfless act of helping others without expecting anything in return. When you are kind, you lead a peaceful, happy life and you sleep better at night. Let's target to create a zone which brings out the essence of kindness alongwith beautifully conveying the message that every act of kindness matters.

RESULT

Change Leaders

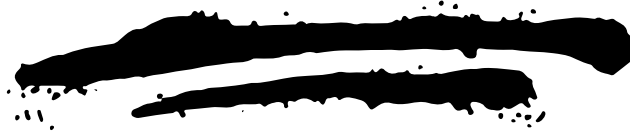

ABOUT THE EVENT

"Leadership is the capacity to translate vision into reality" There are a range of policies in place that aim to mitigate adverse impacts of climate change. Students have the opportunity to prove their mettle in leadership roles by envisioning a climate action plan which endeavors to achieve sustainability, fulfill India's development goals and reduce net emissions.

Pollution-free Delhi 2047

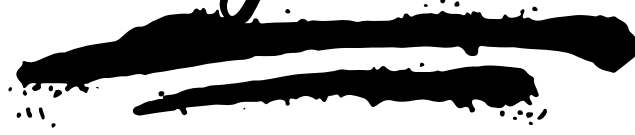

ABOUT THE EVENT

Delhi is often ranked amongst the world's most polluted cities, and air pollution has reached "hazardous" levels already. In order to reduce air pollution levels in the city, we should gear up all together and work hand in hand. Let us tinker to target a pollution-free Delhi by 2047.

RESULT
